Policies for maintaining and utilizing physical, academic and support facilities

Our institution has the College Development Committee which takes the decision about the maintenance and utilization of physical, academic and support facilities for the development. The committee takes the decision about the physical and academic facilities like campus enrichment, building construction, building repairing, maintenance of the electrification, water supply requirement, furniture, maintenance of equipment, etc. Wherever the expenditure required for the construction or the maintenance of the building, the CDC suggest it to our parent management and the parent management takes the decision about it. **Laboratory** : In our institution we have two laboratories - Computer Laboratory and Home Economics Laboratory. The Computer Department has 23 sets of computers with the updated software. The decision about the maintenance and utilization of the computers has been taken by Prof H. R. Vipradas, In-charge of the Department of Computer. The laboratory of the Department of Home Economics has many equipment and the home appliances which are necessary for the practical of the Home Economics. Prof. Mrs. Archana Dantale, working on the clock hour basis, takes care of the laboratory. The decision about the maintenance and utilization of the equipment has been taken by the in-charge of the laboratory, Prof. Mrs. Archana Dantale. **Library** : Our institution has a well developed central Library having more than 18000 books. After the retirement of the Librarian in April 2016, Mr. S. S. Katore is the in-charge of the Library and the co-ordinator of the Library committee. The Library provides the books facility to the students and the teaching and non teaching staff. The Library Clerk, Library Attendant and a peon take the care of books, newspapers, computers, etc. **Sports Complex** : Students are getting all the facility regarding the sports i.e. every sports equipment with required ground. Department of sports in our college maintains the every need of sport facility about students. Department of sports has Sport Org. committee for coordinating all such facilities. **Classrooms** : We have 10 classrooms in our institution. The maintenance and cleanness of the classrooms has been done by the Peons under the supervision of the Superintendent. The institution appoints a sweeper on the temporary basis to maintain and clean the toilets and urinals.

In 2020-21 due to the Covid-19 and the restrictions of the Government of Maharashtra, the physical classes were ceased. As no students have attended the classes, and no permission was given to the staff to enter the campus, the maintenance of these support facilities has not done. However, the local Peon in our institution who lives in the college campus took the care of these support facilities.
