C. Sports & Cultural Activities

Sports Facilities:-

In view of the fact that our management accepts as true in proficiently all round development of students, they have provided a well maintained campus spread over 9 acres of peaceful green land. They also give utmost importance and tremendous encouragement to the students for the overall development of students by providing them facilities on ground and also organize various sports and cultural programs. The Qualified Director of Physical Education and sports has been appointed to take care of day to day games and sports activities of the college. We have a well equipped Sports room, where students can play Indoor games like, Table tennis, chess, carom etc. We have a good physical infrastructure where our director of physical education and sports adjust and conduct yoga programs for students and faculty members where they do meditation and even practice yoga. College teams are formed to take part in state level and University level intercollegiate competitions and other competitions. Sports event competitions were conducted earlier and the winners were awarded and rewarded accordingly.
